OUR VISION... to achieve & maintain a commitment to: accurately access the needs of those in crisis; provide inspiration, critical support and guidance; and to address the effects of unemployment, poverty and homelessness for our clients.

OUR 2017 CAPITAL CAMPAIGN... At the Christian Service Center we have been planning for many months and are pleased to announce that we're launching our 2017 Capital Campaign! This campaign is a "3-Way Ask" program in which we are asking for funds for: the balance of this year & next year's budget, establish a building fund for a permanent home, and obtain endowments to keep the ministry going into the future. This generous financial blessing we seek would alleviate the demand on our time, and allow us to focus on ways to raise up those in need within our community. As Jesus and His disciples needed financial support as they traveled teaching the good news of His kingdom (Luke 8:1-3), we too are in need of financial support as we do God's work within our community. The Service Center has been providing assistance for over 25 years and has strived to be good stewards within the Christian community. We thank you, in advance, for helping us meet spiritual and financial needs. We pray for your continued blessings of prosperity and generosity. If you have any questions or would like additional information about our Capital Campaign, please contact us at 386-328-0984 or come visit us at 2600 Peters Street in Palatka.

KEEP HOPE ALIVE WITH FIVE...

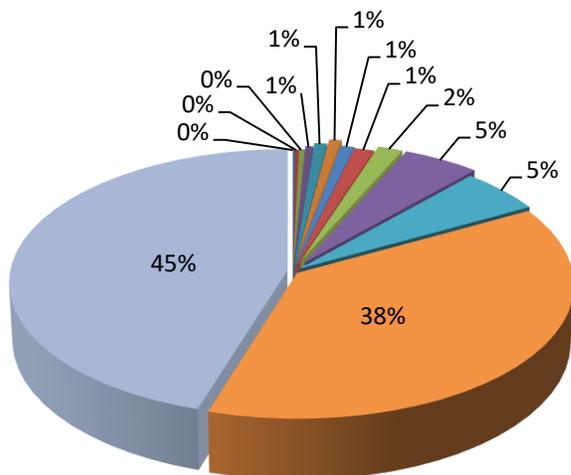

Every dollar counts toward helping people within our community.

We are asking each person to commit to giving \$5.00 (or more) a month. To make it a routine, you can use your online banking to set up "bill pay" and the bank will automatically send your donation amount to the PCSC for you each month. We also have donation buttons on our Facebook page (facebook.com/pcsc820) and on our website (www.HeartOfPutnam.com).

Helping one person might not change the whole world, but it could change the world for one person. Please help make a difference in the life of someone less fortunate than ourselves.

LISTENERS AND DOERS... *(from Our Daily Bread)* The phone rang in the middle of the night for my husband, a minister. One of the prayer warriors in our church, a woman in her seventies who lived alone, was being taken to the hospital. She was so ill that she was no longer eating or drinking, nor could she see or walk. Not knowing it she would live or die, we asked God for His help and mercy, feeling particularly concerned for her welfare. The church sprang into action with a round-the-clock schedule of visitors who not only ministered to her but showed Christian love to the other patients, visitors, and medical staff.

James's letter to the early Jewish Christians encouraged the church to care for the needy. James wanted the believers to go beyond just listening to the Word of God and to put their beliefs into action (James 1:22-25). By citing the need to care for orphans and widows (V.27), he named a vulnerable group, for in the ancient world the family would have been responsible for their care.

How do we respond to those who are at risk in our church and community? Do we see caring for the widows and orphans (and less fortunate) as a vital part of the exercise of our faith? May God open our eyes to the opportunities to serve people in need everywhere.

True faith demands not only our words, but our actions.
